The 1961 Lamp

Lasell Junior College

Auburndale, Massachusetts

'Nothing is impossible to a willing heart'

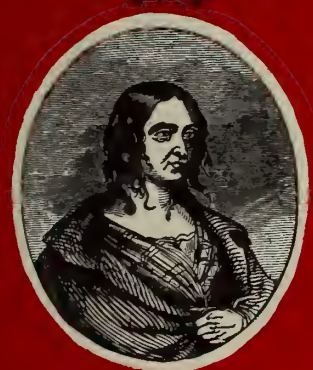

Two years of invaluable experience are now behind us. Under the guidance of the administration and faculty, we have been impressed with the importance of knowledge and study, the sense of responsibility, and the value of sincerity and true friendship. This knowledge shall be our staff as we venture into a new and challenging world. We need only lift the cover of the yearbook to recall this wonderful and too-short segment of our lives. It is a looking-glass into your past of joys, sorrows, hard work, activities, and growth in mind, body, and spirit. For next to the diploma, your yearbook will be the most important document you will have received from Lasell. So, on behalf of the advisors, Mr. Robert Brandriff and Mr. Donald Warren, and my very able staff, I proudly present to you the 1961 LAMP with the earnest wish that it will give you a lifetime of memories of your college career.

—JOAN FRANKE

We Go Along With...

MISS A. HARRIET TINKER We have attained our goal at Lasell, and we wish to give thanks to this friend, teacher, and class advisor for all that she has done for us. She has won the respect and admiration of each and every one of us through her sincere interest, her understanding, and her encouragement. As a token of our deep appreciation, Miss Tinker, we wish to dedicate our 1961 LAMP to you.

*A Cure for March
Doldrums*

We try to say good-by to you,
 For the knowledge learned that will lead us through;
 We've stayed two years in your guiding care,
 Now caps and gowns we proudly wear.
 Lasell, Alma Mater,
 Let us all stand up and honor her;
 Farewell and good-by to you,
 As we turn to our life anew.
